GENERAL USE & CARE GUIDE:

Rafahia Laminates are easy to maintain. Our laminates will last for years with proper use and appropriate care,

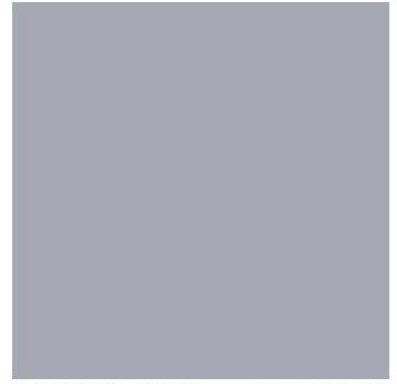

1. To remove stubborn stains use mild household glass cleaners such as Colin. Wipe the surface gently with a non-abrasive cloth.
2. Avoid using abrasive liquid cleaners, bleaches or solvents as they can damage the laminate surface. Cleaning should be done with water and a clean, non-abrasive cloth.
3. Do not use thinner on the surface of the Operando Laminates.
